About the Zoo
The El Paso Zoo is arranged into three major areas: North and South America, Asia, and Africa. New at the Zoo, as of November 2019, is a 2.3-acre North America exhibit which features species of plants and trees found in the Chihuahuan Desert, a large rockwork structure to exhibit large cats and habitats for native desert animals. It hosts Mexican wolves, mountain lions, jaguars, pronghorn, coatis, prairie dogs, and many smaller animals.

The El Paso Zoo is a fun, unique, family-friendly experience on 35 acres of shaded landscape and naturalistic animal habitats. Our mission is to celebrate the value of animals and natural resources and to create opportunities for guests to rediscover their connection to nature. As an AZA-accredited zoo, we contribute to the quality of life and economic development; are an important educational resource, a leader in environmental awareness, conservation action, and endangered species preservation; and employ professionals that enrich our community.

What to Wear
The Zoo is an outdoor facility, so children should dress appropriately for the weather: closed-toe shoes, socks, sunglasses, hats, and sunscreen. Children may also bring a swimsuit to enjoy the Hunt Family Desert Spring splash pad.

Chaperones

Gift Shop
Stop by Safari Outfitters Gift Shop to pick out a fun souvenir to take home. Located right by the Front Gate. You can also buy your train tickets and rent a stroller or wagon here.

African Star Train
Hop on the African Star Train and take a ride around Africa. Enjoy animals such as giraffes, zebras and more. Train tokens can be purchased at the Gift Shop.

Foster Tree-house Playground
