MAYOR ISSUES UPDATED EMERGENCY DIRECTIVE

Mayor Oscar Leeser issues updated emergency directive aligned with State Executive Order

Mayor Oscar Leeser has issued an updated emergency directive aligned with Executive Order No. GA-34 issued by Governor Greg Abbott on March 2nd, which went into effect today.

Mayor Leeser stated: “Our goal is to keep our community safe, and to ensure that we maintain a low hospitalization rate, by encouraging all our citizens to continue to follow the precautionary measures that have worked for us thus far – washing your hands often, practicing social-distancing and wearing a face mask. The City of El Paso will adhere to the Governor’s directive. That said, we will continue to require staff and visitors to wear face masks at City-owned facilities, on airport grounds and in Sun Metro vehicles. We will be measured and responsible to ensure the safety of the staff and the public who use our services.”
